ABOUT US

Hello, we're Shirley and Wendy.

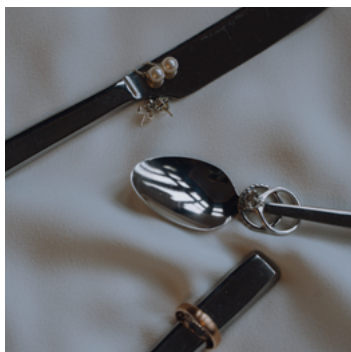

We're visual storytellers—photographers and filmmakers with a deep love for capturing the quiet, powerful beauty of human connection.

Though we're based in Leeds, our journey has taken us across the UK and beyond, documenting weddings, love stories, and fleeting moments in places near and far.

Our work is rooted in feeling. We believe that the most meaningful images aren't posed or perfect—they're honest. A glance. A breath. The way two people reach for each other when no one's watching. That's what we're drawn to.

Since founding Little Forest Studio in 2018, we've been trusted by hundreds of couples to capture their most intimate days—each one different, each one unforgettable.

If our work speaks to your heart, we'd be honoured to tell your story too. We only take on a limited number of weddings each year to give every couple our full creative focus, so if you feel a connection, reach out early—we'd love to hear from you.

"As a two-woman team, we believe in the power of women and the beauty of diversity. We approach every wedding with a deep respect for all couples, honoring love in all its forms and ensuring everyone feels equally celebrated in front of our lenses. Our mission is to create a welcoming space where everyone's unique story is told with sincerity and respect."

"As a dedicated duo offering both photography and videography, we present not only exquisite standalone packages but also a highly sought-after, seamlessly integrated photo and video collection. This ensures that each element is crafted with equal artistry and dedication, creating a truly harmonious and comprehensive narrative of your special day."

BOOKING INFO

A signed agreement and a non-refundable booking fee starting from £500 are required to secure your date.

Our collections are designed to be flexible, with the option to tailor them around your plans. Whether you're envisioning a shorter celebration or a full-day story, we begin with our core packages—ranging from two hours to full-day coverage—and build from there. Should your coverage exceed two additional hours beyond your initial selection, we'll automatically upgrade you to the next package tier. For full-day bookings, any extra time is simply added on as hourly extensions.

Every wedding is different—and if your plans don't quite fit into one of our existing offerings, just let us know. We'd love to hear your ideas and create something bespoke that reflects your vision.

Travel and accommodation are included for most locations within a three-hour drive or train journey from Leeds. For destinations that require longer one-way travel, any additional surcharges will be discussed and agreed upon in advance.
